

Epikutrix | Biomimetic Lipid Repair

PROBLEM: LIPID IMBALANCE

SCALP

- Damaged barrier function
- Increase in *TEWL*
- Flaking
- Dryness
- Increased susceptibility to inflammation and diseases such as psoriasis and dermatitis

HAIR

- Poor lipid matrix
- Dryness
- Weakening of the hair strands
- Irregular Hair cuticles
- Roughness

Solution: Epikutrix

Biomimetic lipid compound for hair strength and resistance, protection of the barrier function, healthy and balanced scalp.

BENEFITS:

- Provides hair **repair and replenishment**, without *build-up*.
- Seals **split ends**.
- Improves hair **combability, conditioning, appearance and sensory**.
- Protects the scalp against aggressions and stimulates the **formation of a new lipid barrier**.

Bio.Resist Hair Serum

With Epinutrix

Promotes intense biomimetic lipid repair, with proven benefits from the scalp to the hair tip.

Aligned with the *Skinspiration* trend in hair care!
